PROFILE

Highly motivated and results-oriented professional with a passion for learning and a drive to excel. I possess a diverse skillset in web development (HTML, CSS, JavaScript, GCP), project management, and customer service. Leveraging my entrepreneurial spirit, I thrive in fast-paced environments and am adept at creating innovative solutions. Currently enrolled in both the Google UX Certificate Program and Codecademy's Full Stack Developer program, I am constantly expanding my knowledge base to become a well-rounded web development professional. Additionally, I am pursuing a Bachelor of Commerce in Informatics at the University of South Africa to gain a strong theoretical foundation in the field.

WORK EXPERIENCE

Website Developer

Philisa Energy

February 2024 - Present

- Built and launched a website from scratch using HTML, CSS, JavaScript, and Google Cloud Platform.
- Ensured a smooth user experience for the website.
- Currently gathering data from surveys and industry trends to improve website functionality.
- Planned for website enhancements, including adding an SSL certificate.
- Collaborated on a project with a team of talented MBA students and a PhD candidate Cambridge Judge School for MIT Climate Change Energy Competition.

Web Development & Evening Property Manager

Explorer Backpackers

April 2023 - February 2024

- Enhanced Explorer Backpackers' online presence by designing and maintaining their website.
- Streamlined the user experience for the Explorer Backpackers website.
- Established social media accounts for Explorer Backpackers on Instagram.
- Managed evening operations at Explorer Backpackers, including guest check-in/out (4pm-7am).
- Oversaw property maintenance and procurement at Explorer Backpackers.
- Ensured a comfortable and enjoyable guest experience at Explorer Backpackers.

Accounting Intern

Grace Accounting Solutions

January 2023 - July 2023

- Supported tax compliance at Grace Accounting Solutions by filing companies' EMP201s and EMP501s.
- Assisted in creating companies' Annual Financial Statements, providing financial performance analysis.
- Prepared monthly management accounts (Profit & Loss, Trial Balances) for informed decision-making.
- Ensured accurate and timely submission of VAT returns for clients.
